"Life Well Lived"
Author Unknown

A life well lived is a precious gift, of hope and strength and grace, from someone who has made our world a brighter, better place.

It's filled with moments, sweet and sad with smiles and sometimes tears, with friendships formed and good times shared, and laughter through the years.

A life well lived is a legacy,
of joy and pride and pleasure, a living, lasting memory our grateful heart's will treasure.
