

Reindeer Cross Stitch Pattern

You will need black, brown, red and green thread.

- Begin making the body with the brown thread.
- Outline the body of the deer with black thread.
- Add eyes, a nose, and antlers with black thread.
- Add a harness to the deer with green thread
- Put bells on the harness using red thread.
- The main body is created using a simple cross stitch
- The outline, antlers, and harness are simple straight stitches.
- The eyes, nose, and bells are French knots.
