

General Hello Cheers

Introduce Your Squad

2, 4, 6, 8 Who do we appreciate?

It's Cindy

clap, clap, stomp, stomp, clap

It's Cindy

clap, clap, stomp, stomp, clap

During this cheer, the person who is being introduced should come out when her name is first called, and then do a stunt while the rest of the squad is cheering. If you perform this cheer in a line, the person who is next up in line will have plenty of room to maneuver.

Hello to You Today!

H-E-L-L-O

We are here to say Hello!

I'm Cindy

Go through your entire squad and have each cheerleader say her name and do a jump. The rest of the squad can clap in a rhythm to keep the pace and bring order to the cheer.

He Got Game!

Number 23, check him out!

He's what we are all about!

Doug MacKenzie, that's his name!

Give him the ball, cuz HE GOT GAME!

No Fireworks; No Band

We don't need no fireworks,

We don't need no band!

We've got Angie's spirit!

Now come on clap your hands!
