

# M&M'S Cookies

## INGREDIENTS:

- 1 jar of dry M&M's cookie mix
- 1/2 cup butter, softened
- 1 egg, at room temperature
- 1 teaspoon vanilla

## DIRECTIONS:

1. Preheat oven to 375°F.
2. Beat butter and eggs together in a large mixing bowl.
3. Add vanilla to butter and egg mixture.
4. Add dry ingredients from the jar to the butter and egg mixture, and mix until thoroughly combined.
5. Roll cookie dough into one-inch balls, and place two inches apart on baking sheet.
6. Bake cookies for 12 to 14 minutes, or until slightly browned.

# M&M'S Cookie Jar Mix

## JAR INGREDIENTS:

- 1/4 cup white sugar
- 1 1/4 cups M&M'S
- 2 cups all-purpose flour
- 1/2 teaspoon baking soda
- 3/4 cup brown sugar
- 1/4 teaspoon baking powder

## DIRECTIONS:

1. Combine white sugar, flour, baking soda, baking powder, and pour half of mixture into the bottom of a quart-sized canning jar.
2. Add brown sugar to canning jar, and pack firmly.
3. Add remaining flour mixture to canning jar.
4. Add M&M'S to canning jar.
5. Close jar lid tightly, decorate as desired, and add a label with instructions for use.
