Jenny Johnson for Treasurer

When I was five-years-old, my older sister and I were determined to get the newest princess movie. But, our mom said we had too many already and refused to buy it for us. That's when we decided to buy it for ourselves. Together we came up with the idea to sell rocks by the side of the road. We gathered rocks from our driveway and set up shop near the edge of the road. Within an hour we made $10 and had enough to buy that princess video.

This was my first experience managing money. At an age when most kids are happy holding crayons and play dough, I didn't do anything without my trusty calculator. What does this story tell you about me?

- When I see a need, I find a way to fulfill it. Most recently, as Junior Class Representative on Student Council, I saw too many kids struggling with the Math Regents. I approached the Principal with a plan to organize study groups during last period study halls. We recruited high honor students to lead the groups and saw a marked improvement in test scores.
- I'm willing to get my hands dirty and do the hard work. As a four-year Key Club member, I volunteered to walk dogs at Canine Rescue and weeded the community garden.
- Numbers and money management are just in my nature. I am a member of the Accounting Club and Mathletes.
- I work well on a team. This year I was nominated as Team Captain by my varsity soccer teammates.

As a nominee for Student Council Treasurer at Town High, my goals for the year include:

- Researching new vendors to cut prom costs, making tickets less expensive for you.
- Creating a budget proposal for adding a healthy vending machine to the senior hallway.
- Installing a suggestion box in the High School Office so students can have a say in changes they'd like to see at school.

Your Student Council Treasurer will be responsible for handling all the money you work hard to raise for the events you love. Every vote counts, so cast yours for Jenny Johnson if you want to see real changes. Thank you for considering me as Student Council Treasurer.
