

Chapel Gingerbread House Pattern

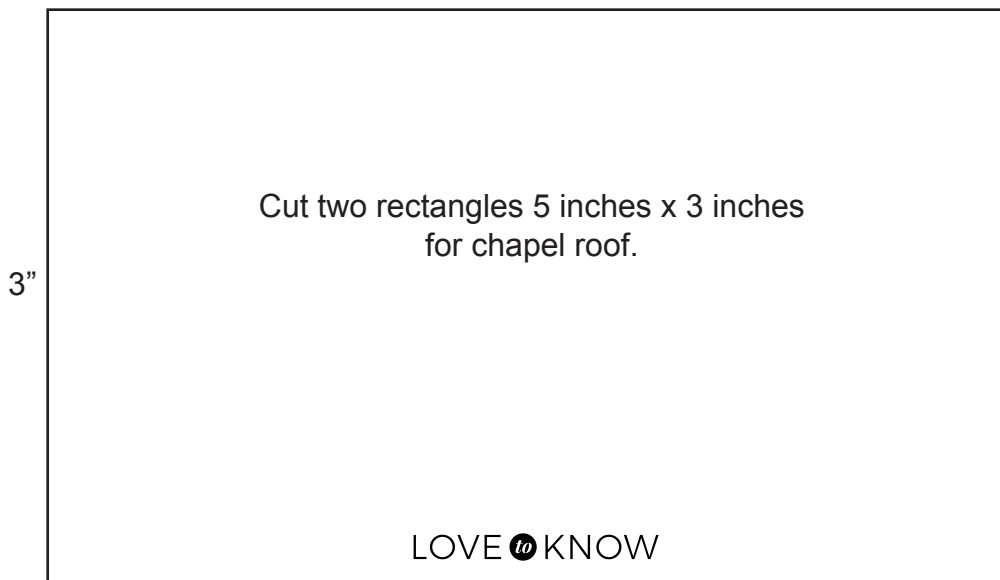

Top Chapel Section

Cut two equal pentagon pieces about 4 inches x 4 inches with 2.5 inches on each angled side; one of the two should have a circle shaped window opening in the center.

5"

Lower Chapel Section

8"

Cut four equal square shapes about 8 inches x 8 inches
(one can have a rectangle door opening in the center
that reaches $\frac{1}{3}$ way up).

8"

Lower Chapel Section

9"

One square piece for roof (to lay flat under the top section) that is about 9 inches x 9 inches.
