

Dear

You've lost a tooth,  
How divine!  
What once was yours,  
Now is mine.  
Thanks for sharing,  
It's very kind.

You'll grow a new one,  
In its place  
That's bigger, stronger  
And fills the space.

As a gift  
For your generosity,  
Take these coins  
And use them wisely.  
Make a wish  
Before they're spent  
And my fairy magic  
Will be sent  
To bring you luck  
That very moment.

Yours Truly,

 *The Tooth Fairy*
