advice women can trust
Logo will not print with document

Dear Community Partner,

ECS Parent Connect is a 501(c)(3) organization committed to supporting the mission of our school by collaborating with students, staff, families, and local businesses to fundraise and provide educational activities or materials to all ECS students from grades Pre-K through 12.

We are writing because we **need your help**. The rising costs of school supplies, need for advanced technology to better prepare out kids, and push for innovative educational techniques requires substantial funds. Since our school is flooded with fundraisers selling everything from flowers to pies, we'd like to simply ask for a monetary donation in any amount you can afford.

ECS Parent Connect will take these donations and funnel them into teacher funding requests for supplies and materials that meet modern educational requirements and ideals. Every dollar helps.

Please mark one of these options and enclose cash or check made out to ECS Parent Connect:

- ☐ I want my $1 dollar to count.
- ☐ I can donate $10 to this worthy cause.
- ☐ I'm able to help our school with a donation of $_____.

We appreciate all you do for our community and your interest in helping improve the educational possibilities for our children. Please contact us at ECSconnects(at)mail(dot)com with any questions. Donations can be delivered by your child to their teacher or mailed to the address listed at the top of the letter.

Thank you for your time. We look forward to enhancing school and community resources by collaborating with people like you.

Sincerely,
ECS Parent Connect
