Couples Toast Guests

Today, we are honored to stand before all of you and pledge our love to one another. Our lives have only been enhanced by the love brought into it by all of you. We especially want to thank our parents for everything they have done.

Bride and groom each take the microphone and separately thank parents.

We also want to thank everyone who has helped us on our journey together.

List anyone who has made the day possible, such as clergy members, special relatives or friends.

Finally, we want to thank everyone who has come out today. We know some of you traveled long distances to be here and we thank you all for your sacrifice to celebrate with us. You all are truly special to us, and we would not be here without everyone in this room.

Thank you all for your love and generosity. We love you all. Cheers!
