Couple's Parents Wedding Toast

Today, I am honored to count [Bride/Groom] as a member of my family. I have watched [Bride/Groom] grow from a small baby to making [his/her] way into the world.

Talk about a couple memories from childhood of the bride or groom.

Of course, I realized that [Bride/Groom] was no longer a child when [she/he] met the person seated next to [him/her] at the table. [Bride/Groom] came into my [son/daughter's] life and has not only loved my child as I did, but helped [him/her] become the person [she/he] is today.

Incorporate a few specific traits of the couple's relationship that stand out.

Your love is obvious to anyone who looks at you. We all have faith renewed in love as we gazed upon you two tonight. [Your mother and I/We] love you both forever. Congratulations!
