

Trip to the Hospital By Sally Painter

LOVE  KNOW

(1) _____ and (2) _____ ran over (3) _____ on the way to the hospital. They quickly inspected the damage and found the tire was flat. He grabbed a (4) _____ to open the trunk, so he could get the spare tire out. He quickly got the tire changed and when he jumped back in the car, she said, "You forgot the (5) _____. I promised we'd take (6) _____ with us when the baby came. "What are we going to do now?" she asked. (7) " _____," he replied.

She was shocked and couldn't believe what he was suggesting. By now, the contractions were closer together and she decided to (8) _____. But she quickly realized they needed to get to the hospital and told him to (9) _____, but instead, he drove (10) _____ toward the hospital, but missed the exit. He tried to turn around, but there was a (11) _____ in the way, and he yelled, steering the car out of the path. He took the next exit, but found they were at the (12) _____. She cried, "You've made another wrong turn and it looks dangerous." He nodded and tried to get back on the highway, but a zombie (13) _____ in front of the car. He swerved the car and missed it, ending up in a field of (14) _____.

"Look, there's a (15) _____ helicopter. Maybe they will take us to the hospital," she said, pointing to the helicopter in the field. They started toward it, when (16) _____ zombies ran out of the woods toward them. Screaming, the two of them ran toward the (17) _____ helicopter with the zombies giving chase. The pilot saw them and yelled for them to (18) _____ as he kept the helicopter running. "I can't run," (1) _____ panted, looking back at the zombies. Her face turned (19) _____. (2) _____ grabbed her hand and (20) _____ it. He stopped to pick her up, and ran toward the helicopter, carrying her in his arms. She (21) _____ him, but he managed to reach the helicopter and helped her inside, jumping in behind her just as a zombie with a big (21) _____ tried to grab his leg. The helicopter lifted from the ground and (2) _____ managed to kick free of the zombie. Together, they sighed in relief and thanked the pilot. They soon landed at the hospital and were greeted by (23) _____ hospital personnel. (24) _____ was delivered within minutes of their arrival and the family managed to avoid the zombie apocalypse because they were (25) _____.
