Dear ,

Wow. What an awesome kid you are! It is crazy to think off all that you have accomplished in school lately. Just think, it wasn't that long ago that you struggled with _____. Now you have mastered that like a rock star.

We have watched you grow and flourish in your friendships/ academics. You are such a hard worker and we are so proud of you. You never give up on things, even when they become so frustrating.

It is your drive, your spirit and your willingness to work for what you want that will carry you far in life. You have already had so many success, we just know that with a great attitude, those successes will only continue.

Give yourself a pat on the back, because you deserve it!

All Our Love,
