Sample Speech Three

Hello all, I'm _____ (your name) and I have the privilege of serving as _____'s (groom's name) best man today. I have been friends with _____ (groom's name) for _____ years and was overjoyed when he asked me to act as his best man.

The reason I was so excited is that over the long years of our friendship, I have never seen _____ (groom's name) so happy. _____ _____ (partner's name) truly makes him a better person. Honestly, I've never seen _____ (groom's name) walk around with a goofy smile on his face so much as I've seen him do since becoming engaged to you. For making him happy and bringing that silly smile to his face, I applaud you.

I can't express how glad I am that you two found each other and have decided to embark on this journey of life together. I wish you all the best both today and every day.
