

a romantic game
for us...

ONPSUP

Oui = Yes

Non = No (for now)

Peut-Etre = Maybe (try it once)

**Si
Vous
Plait** } = **YES PLEASE MORE!**

This game is simple.
You're going to ask
to touch me
or kiss me
or do something you think
I'll like.

I'm going to say
one of the words
on the left.

What I say determines
how you do it...and then
you can ask again,
or ask something else.

Use your imagination, darling...
After a while...
WE'LL SWITCH.
