- What We need:**
- Skin
 - Trust
- What I need:**
- Two fingers
 - A blindfold
- What you need:**

I'm going to ask you
to blindfold me.
Or maybe I'll just
close my eyes.
Then you get to touch me
with two fingers
anywhere you'd like.

Just a touch:
don't get too carried away
or move too fast.

Then I'll tell you where
you should touch me next.
How your fingers get there
is up to you...

TOUCH ME.
...then it's my turn...

Touch Me.
